Overview of Hailiang

Hailiang has become a super large non-government-run international enterprise group with diversified pillar industries, including copper-processing, metal trading, etc. Hailiang group now has about 12000 employees and two listed companies--- Zhejiang Hailiang Co. Ltd (stock code: 002203) and SICHUAN GOLDEN SUMMIT GROUP JOINT-STOCK CO., LTD (stock code: 600678).

20-plus Years in the Copper Industry

Established in 1989, Hailiang Group has been considered as one of the leading exporters of copper products in China since 2001, particularly in the copper-processing industrial belt of the Changjiang River Delta. Our product selection includes tubes, fittings, bars, brass tubes, brass rods, condensing tubes and PVC-coated pipes.

Holding Four Industrial Zones

We have three industrial zones in China (Shanghai, Zhejiang, Anhui) and one in Vietnam. This enables us to export 10000 tons of fittings, as well as 25 tons of pipes and rods each year.
